“The organization is working on projects ranging from affordable housing to economic revitalization to community development, but Middle Main’s work is concerned specifically with de-stigmatizing and reinvigorating Main St. in downtown Poughkeepsie. As a part of their neighborhood branding work, my main project is designing branding and outreach materials such as brochures, flyers, and social

 Office of U.S. Senator Chuck
 Schumer
 Office of State Assemblywoman
 Didi Barrett

media posts to promote the organization and their projects. By collaborating with the other employees in the Community Building and Engagement team in order to get a sense of how their efforts in the community should be best portrayed, my job is to accurately represent Middle Main's goals and values through design while simultaneously learning about and getting involved in the Poughkeepsie community."

- Sophie Kaplan-Bucciarelli '20

Vassar students working with elected officials:

Students are working with elected officials in local, state, and national government. These include J. Lopez (Town of Poughkeepsie Board), R. Edwards and H. Black (Dutchess County Legislature) S. Serino (State Senate), D. Barrett (State Assembly), S. Maloney (U.S. Congress), and C. Schumer (U.S. Senate). Additionally, several students are working on three separate congressional campaigns in NY- 19.

Annie Xu' 19 continues a CEL placement this semester with the Public Arts Commission, City of Poughkeepsie, where, among her other duties, she maintains an [Arts calendar](#)

News from Fall '17

Photo Credit: Evan Abramson, class of 2000 (Retrieved from <https://medium.com/invironment/bike-sharing-in-vassar-poughkeepsie-41eaa0e622b>)

Last semester, exchange student from Singapore Jerald Lim investigated bike sharing in Vassar and Poughkeepsie as part of a Community-Engaged Learning placement with the Vassar Environmental Cooperative and Vassar Sustainability Office. In his project, he explores biking in relation to physical health, the environment, social life, economics, and effects on non-bikers. He also goes into detail about the general sentiments about and positive effects of bike-sharing.

His impressive and comprehensive article can be found at: <https://medium.com/invironment/bike-sharing-in-vassar-poughkeepsie-41eaa0e622b>.
